Spare Parts List

Furlex *50 S*

 **SELDÉN**

Bäste Furlex-ägare

Furlex säljs genom ett nät av auktoriserade återförsäljare som täcker alla marina marknader runt om i världen.

Auktorisationen omfattar praktisk och teoretisk utbildning i hur Furlex-systemet är uppbyggt.

Denna kunskap innebär professionell service till Dig som Furlex-ägare.

Vi önskar dig mycket skön segling och hoppas att denna reservdels- och återförsäljarlista kan vara till nytta om du någon gång behöver kontakta en återförsäljare för professionella råd eller assistans.

Dear Furlex-owner

Furlex is supplied via an extensive network of authorized dealers who cover the major sailing areas of the world.

The authorization ensures that each dealer is fully versed in the design, assembly and operation of Furlex - and is a guarantee of professional service. We wish you much enjoyable and carefree sailing and hope that this spare parts- and dealerlist will be of help if you ever require professional advice or assistance.

Lieber Furlex-Eigner

Furlex wird über ein Netz autorisierter Fachhändler weltweit in allen Segelregionen verkauft.

Die Autorisierung dieser Fachhändler erfolgt durch eine theoretische und praktische Schulung im Aufbau des Furlex-Systems.

Dieses Können gewährleistet Ihnen als Furlex-Besitzer professionellen Service.

Wir wünschen Ihnen ein angenehmes Segeln und hoffen, daß Ihnen dieses Ersatzteil- und Fachhändlerverzeichnis hilft bei eventuellem Bedarf eines Rates oder professioneller Hilfe.

OBS!

Plocka ej isär fallsvirveln eller nedre lagringsdelen. Det kan vara svårt att återmontera dessa delar på ett korrekt sätt. Bland annat ligger lagerbanornas kulor löst monterade. Vid behov av service, kontakta din Furlexåterförsäljare.

NOTE!

Do not dismantle the halyard swivel or lower bearing assembly. You will find it difficult to re-assemble them correctly (the ball-bearings are loose and difficult to refit!). Contact your Furlex dealer if service is required.

ACHTUNG!

Nehmen Sie den Fallschlitten oder die untere Lagerung nicht auseinander. Es ist schwer diese wieder korrekt zu montieren. Unter anderem liegen die Kugeln lose montiert. Wenden Sie sich bei Bedarf an Ihren Furlex- Händler.

Seldén Mast AB reserves the right to alter the design or specification without prior warning; to allow unrestricted future product development.
