Lieber Furlex-Eigner

Furlex wird über ein Netz autorisierter Fachhändler weltweit in allen Segelregionen verkauft.

Die Autorisierung dieser Fachhändler erfolgt durch eine theoretische und praktische Schulung im Aufbau des Furlex-Systems.

Dieses Können gewährleistet Ihnen als Furlex-Besitzer professionellen Service.

Wir wünschen Ihnen ein angenehmes Segeln und hoffen, daß Ihnen dieses Ersatzteil- und Fachhändlerverzeichnis hilft bei eventuellem Bedarf eines Rates oder professioneller Hilfe.

OBS!

**Plocka ej isär falls-
virveln eller nedre lagrings-
delen. Det kan vara svårt att
återmontera dessa delar på
ett korrekt sätt. Bland annat
ligger lagerbanornas kulor
löst monterade. Vid behov av
service, kontakta din Furlex-
återförsäljare.**

NOTE!

**Do not dismantle the
halyard swivel or lower bea-
ring assembly. You will find it
difficult to re-assemble them
correctly (the ball-bearings are
loose and difficult to refit!).
Contact your Furlex dealer
if service is required.**

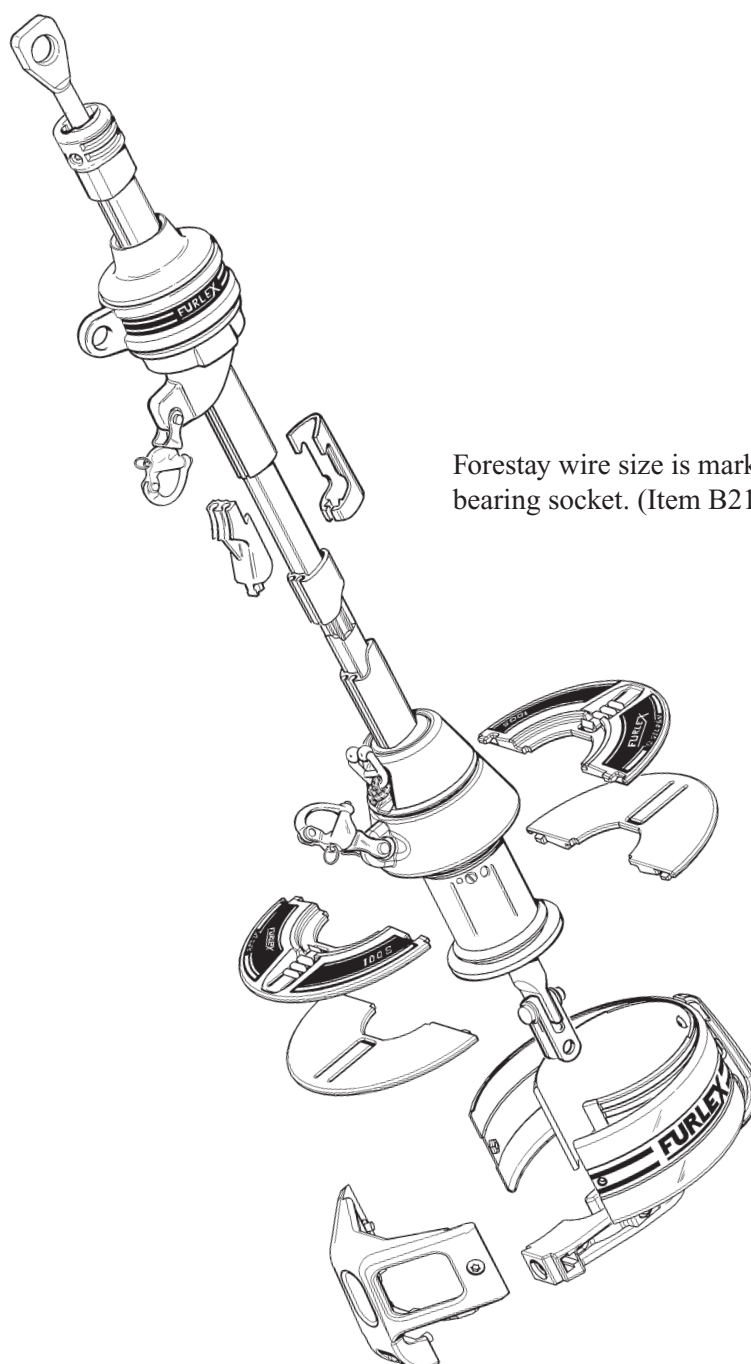

ACHTUNG!

**Nehmen Sie den Fall-
schlitten oder die untere
Lagerung nicht auseinander.
Es ist schwer diese wieder
korrekt zu montieren. Unter
anderem liegen die Kugeln
lose montiert. Wenden Sie sich
bei Bedarf an Ihren Furlex-
Händler.**

Fast access to our know-how, worldwide

The Seldén Group is the world's leading manufacturer of masts and rigging systems for dinghies, performance dayboats and yachts up to 30 tonnes. The Group consists of Seldén Mast AB in Sweden, Seldén Mast A/S in Denmark,

Seldén Mast Ltd in the UK, Seldén Mid Europe in the Netherlands and Seldén Mast Inc in the USA. Our well known brands are Seldén, Furlex and Proctor.

At Seldén we are sailors. Our extensive sailing experience, combined with practical engineering knowledge, is at the heart of our business. It guarantees care, attention to detail and a total commitment to quality.

Our development and production facilities on the west coast of Sweden, the south coast of England and the east coast of the USA afford us unique opportunities to test and develop our products under tough and practical seagoing conditions. All manufacturing is carried out in accordance with strict quality control routines.

Our quality philosophy does not stop at the production line, but is extended to our authorised distribution and service network through a complete programme of training courses, instruction manuals and films. Everything to ensure customer satisfaction.

The worldwide success of Furlex has enabled us to build a network of over 700 authorised dealers covering the world's marine markets. So wherever you sail, you can be sure of fast access to our service, spare parts and know-how.
