Bäste Furlex-ägare

Furlex säljs genom ett nät av auktoriserade återförsäljare som täcker alla marina marknader runt om i världen.

Auktorisationen omfattar praktisk och teoretisk utbildning i hur Furlex-systemet är uppbyggt. Denna kunskap innebär professionell service till Dig som Furlex-ägare.

Vi önskar dig mycket skön segling och hoppas att denna reservdels- och återförsäljarlista kan vara till nytta om du någon gång behöver kontakta en återförsäljare för professionella råd eller assistans.

Dear Furlex-owner

Furlex is supplied via an extensive network of authorized dealers who cover the major sailing areas of the world.

The authorization ensures that each dealer is fully versed in the design, assembly and operation of Furlex - and is a guarantee of professional service. We wish you much enjoyable and carefree sailing and hope that this spare parts and dealerlist will be of help if you ever require professional advice or assistance.

Lieber Furlex-Eigner

Furlex wird über ein Netz autorisierter Fachhändler weltweit in allen Segelregionen verkauft.

Die Autorisierung dieser Fachhändler erfolgt durch eine theoretische und praktische Schulung im Aufbau des Furlex-Systems.

Dieses Können gewährleistet Ihnen als Furlex-Besitzer professionellen Service.

Wir wünschen Ihnen ein angenehmes Segeln und hoffen, daß Ihnen dieses Ersatzteil- und Fachhändlerverzeichnis hilft bei eventuellem Bedarf eines Rates oder professioneller Hilfe.

OBS!

Plocka ej isär fallsvirveln eller nedre lagringsdelen. Det kan vara svårt att återmontera dessa delar på ett korrekt sätt. Bland annat ligger lagerbanornas kulor löst monterade. Vid behov av service, kontakta din Furlex-återförsäljare.

NOTE!

Do not dismantle the halyard swivel or lower bearing assembly. You will find it difficult to re-assemble them correctly (the ball-bearings are loose and difficult to refit!). Contact your Furlex dealer if service is required.

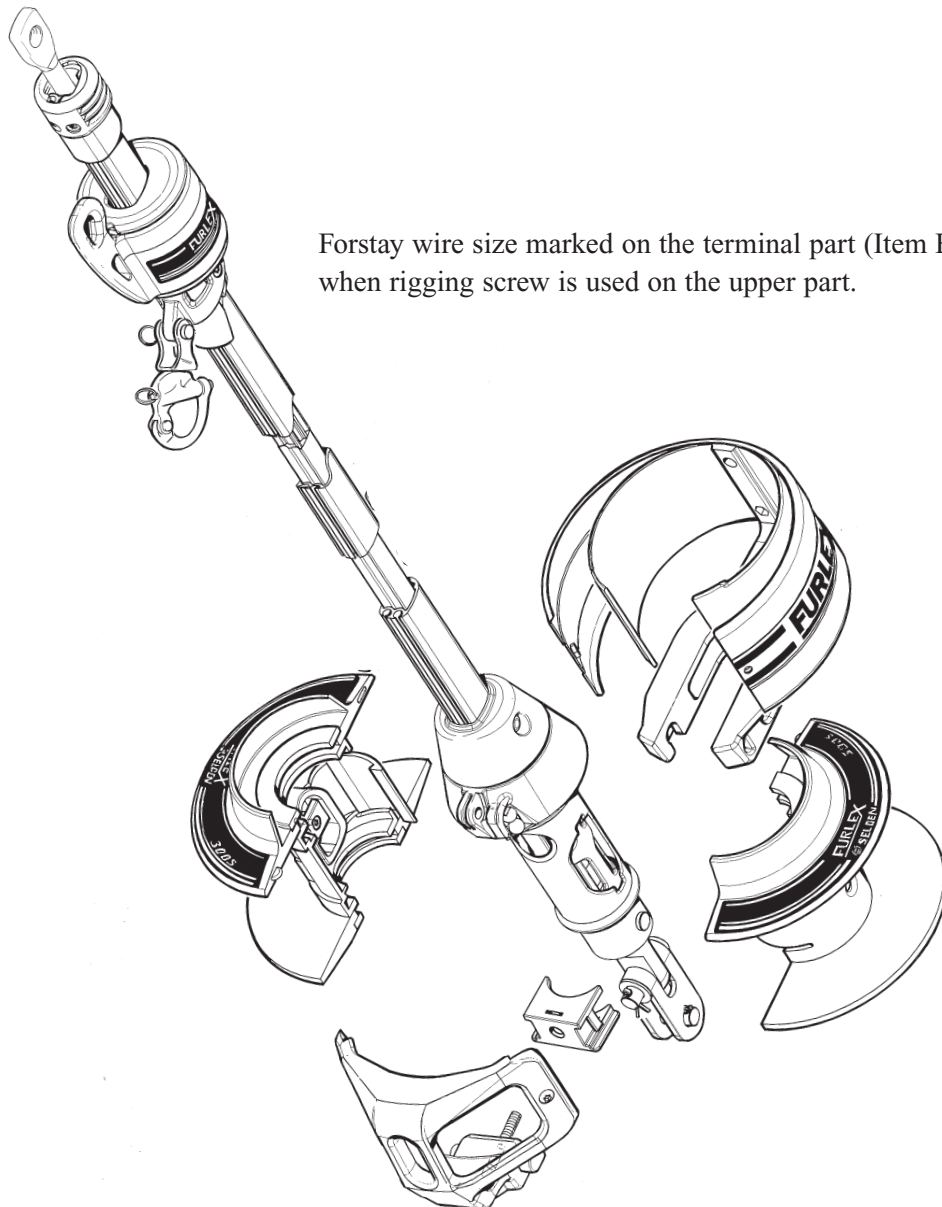

ACHTUNG!

Nehmen Sie den Fallschlitten oder die untere Lagerung nicht auseinander. Es ist schwer diese wieder korrekt zu montieren. Unter anderem liegen die Kugeln lose montiert. Wenden Sie sich bei Bedarf an Ihren Furlex-Händler.

Fast access to our know-how, worldwide

The Seldén Group is the world's leading manufacturer of masts and rigging systems for dinghies, performance dayboats and yachts up to 30 tonnes. The Group consists of Seldén Mast AB in Sweden, Seldén Mast A/S in Denmark,

Seldén Mast Ltd in the UK, Seldén Mid Europe in the Netherlands and Seldén Mast Inc in the USA. Our well known brands are Seldén, Furlex and Proctor.

At Seldén we are sailors. Our extensive sailing experience, combined with practical engineering knowledge, is at the heart of our business. It guarantees care, attention to detail and a total commitment to quality.

Our development and production facilities on the west coast of Sweden, the south coast of England and the east coast of the USA afford us unique opportunities to test and develop our products under tough and practical seagoing conditions. All manufacturing is carried out in accordance with strict quality control routines.

Our quality philosophy does not stop at the production line, but is extended to our authorised distribution and service network through a complete programme of training courses, instruction manuals and films. Everything to ensure customer satisfaction.

The worldwide success of Furlex has enabled us to build a network of over 700 authorised dealers covering the world's marine markets. So wherever you sail, you can be sure of fast access to our service, spare parts and know-how.
